### Open House:

Tuesday, September 20<sup>th</sup> is our annual Open House. Please disregard the Sept. 16<sup>th</sup> date in the last newsletter as the Open House date. (We secretaries have a lot on our plate!) Open House is at 7:00 p.m. Parents and students are welcome to come and check out the new renovations to the school and to check the students' progress in school thus far.

### PARENT AND STUDENT REMINDERS:

All students are required to have a pair of indoor shoes at school. Indoor shoes could be slippers, sandals or moccasins, parents do not need to purchase brand new shoes, any kind of footwear will do! There is new sod on the playground which is very wet. Students without indoor shoes track in mud which leaves the floors looking very dirty. Indoor shoes are a must!

Students are reminded that they are not permitted to bring any kind of toys to school. This includes stuffed animals, play figures, little cars, game boys, etc. There have been a few instances where students have been bringing toys to school so we ask parents to please check your child's back pack and make sure that these toys are not coming to school. Students are also encouraged to keep any kind of electronic equipment at home. This includes IPOD's, CD players, cameras, video cameras, etc. Stereo equipment is permitted on the bus but when entering the school must be kept in students' backpacks. The school will not be held responsible for the loss of or damage to any of these items.

A reminder that all visitors, whether it is parents, friends, relatives, etc., are requested to report to the office as required under the Trespass to Property Act, 1990, when entering the school.
