

**RAINY RIVER DISTRICT SCHOOL BOARD**

# **SUMMER LEARNING PROGRAM**

**AUGUST 10-28, 2020 • ONLINE  
KINDERGARTEN (YEAR 2) TO GRADE 5**

Programs will be led by qualified teachers using online platforms, providing students with 2 hours of fun and engaging learning sessions each day.

**Have fun building Literacy and Numeracy Skills!**

Each student will have many opportunities for fun and engaging learning every day. These will include a variety of virtual field trips provided through our partnership with Connected North. The focus of the Summer Learning Program will be on the development of literacy and numeracy skills.

**Work with experienced teachers in small groups!**

Benefit from great teachers who want to help each student achieve success. Students will have opportunities for one-on-one or small group learning, which will include reading, experimenting, and problem solving.

**An engaging day of Summer Learning!**

Learning will include live teaching through online platforms, home activities, and teacher-led virtual experiences.
