## School Council Annual Report 2017/18

June 2018

### Welcome

Crossroads School Council has had a productive year despite a small group of regular parent volunteers. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute by getting involved in various school initiatives and to bring forward the voice of the school community. This year's Council was small in numbers. Parents are encouraged to get involved in Crossroads School Council because together we can achieve more. It is an awesome way to create a collaborative culture.

### Activity Summary:

The Council met to discuss goals, fundraising and concerns/questions from parents. The Souper Solstice, Art and Math Night (supported by PIC funding) and the Fish Fry were events supported by the School Council.

### Fundraising

Fundraising by the Crossroads School Council supports a variety of activities.
