## School Council Annual Report 2017/18

### Welcome

Nestor Falls School Council has had a productive year. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute by getting involved with the school initiatives and to bring forward the voice of the school community. Parents are encouraged to get involved in the Nestor Falls School Council because together we can achieve more.

### Activity Summary:

The Nestor Falls School Council met regularly to discuss goals for the year and any concerns/questions from parents. This year the Council identified and achieved several goals to help supplement our student's educational experiences.

Funds raised helped to buy level reading books for our classrooms, supplies and equipment for our kitchen, pay for training for safe food handler's course, helmets for skating, ski poles, send students to the mounds for a cross country skiing field trip, lifeguards for year end trip to Bass Lake, and swimming lessons for the juniors and grade 4 students.

Council helped out with several events including the Christmas Concert, and the End-of-Year Family dinner. Fundraisers included Mom's Pantry in the fall, 50/50 tickets at the winter carnival, and silent auction fundraiser at the End-of-Year Family dinner.

### Fundraising

Mom's Pantry – raised \$747.19

50/50 – raised \$892.50
