

Riverview School Annual School Council Report 2017-2018

Another successful school year has come to an end. Looking back we are very proud of our accomplishments as a school and as a part of our community. As a School Council, our main focus is to enhance student learning by working in cooperation with school administration, teaching staff and the parent community.

Activity Summary

Riverview School Council met on a regular basis to provide input and exchange ideas with school representatives and addressed concerns from parents. Our School Council was also very active in planning events and organizing fundraisers. The support we received from parents, caregivers and our community was excellent.

Breakfast Program: Our program was generously supported by businesses and organizations providing breakfast three mornings a week for all of our students. This program was run successfully by students under the supervision of our principal and teaching staff.

Power Off and Play: Our school was fortunate to receive a grant that provided our students with games and field trips provided through funding from the Northwestern Health Unit.

Fundraising: Our fundraisers included our *Annual Christmas Tea & Penny Table and White Elephant Sale*. All were generously supported by our school and community. Together these fundraisers raised just over \$2000.

Consultation: With the consolidation and expansion plans going ahead for Riverview and RRHS, council member Julie Tiboni provided input to the committee with respect to the design and function of the new building. We are looking forward to being in the new building in just over a year's time.

Events: Other activities and events that we organized or supported included a Welcome Back BBQ, Terry Fox Run, Family Literacy Day, the Family Math and Arts Night and a year end lunch for the whole school.

2017-2018 School Council Members

Chairs: Nadine Gerula
Secretary: Krista Brusven
Members: Julie Tiboni
Megan Jasper
Kari Larson
Janice Olson
Selena Cory
Teacher Rep: Michelle VanBeek/Allison Enns
