

Annual Report

For 2017-2018 School Year

The Sturgeon Creek Alternative School Council had a very productive 2017-2018 year. The school council held 4 meetings on:

September 26th, 2017

November 22nd, 2017

February 7th, 2018

April 18th, 2018

The school council meetings were open to the school community to encourage their input.

2017-2018 Goals

1. Engagement of students and parents in school activities and events.
2. Plan and organize Math & Arts night for school community.
3. Encourage students to build community in the school, work within the greater community to serve others and strive to gain knowledge and apply to their work to achieve high academic standards.

Goals were met by the following activities:

- Buddy Days-elementary and secondary students participate in a variety of activities together to foster relationships and build community within the school.
- Pitch-In Day- clean-up the subdivision and area along the highway in school teams
- Cross Cultural mission trips to Guatemala
- High school field trip to ACSI leadership conference
- Spring & Christmas concerts
- Fall Harvest
- SCAPPLE Pie Day
- Literacy Day
- Grandparent's Day
- Field Day
- Graduation
- School Trip to Winnipeg(Grade 6-8 & 9/10)
- Math & Arts Night (math activities, robotics, culinary arts, Visual Art show)

The school counsel was cognizant of the other fundraising activities that took place throughout the year and chose not to do any but rather supported and offered their assistance to Student Council and CPA events.

We wish to thank the many individuals that volunteered their time to contribute to council during the 2017-2018 school year.
