School Council Annual Report 2017/18

June 23, 2018

Welcome

Sturgeon Creek had an excellent year and our school community once again showed tremendous support at our activities. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute to improving student achievement and school performance. Parents are encouraged to be a part of the Sturgeon Creek Council because together we can achieve more.

Activity Summary:

The Sturgeon Creek School Council met regularly to discuss goals for the year and any concerns/questions from parents. This year the Council identified and achieved several goals– we fundraised for swimming lessons, we were able to purchase additional ski sets and snow shoes to complement existing sets and we assisted in purchasing archery equipment. We also helped prepare healthy snacks for several events. The events included Family Math/Art Night and the End-of-Year Family BBQ. Fundraisers included Mom's Pantry in the fall, Little Caesar's Pizza Kits in February and a Penny Table fundraiser in the spring at the Family BBQ.

Fundraising

Fundraising by the Sturgeon Creek School Council supported a variety of student activities – swimming lessons and purchasing equipment for several programs/activities to complement existing sets are a few examples.

Mom's Pantry – raised approximately \$3531.70

Little Caesar's Pizza Kits – raised approximately \$1440.72

Penny Table – raised approximately \$780.00
