GUIDELINES

1.0 Rainy River District School Board Code of Conduct

- 1.1 The Rainy River District School Board is committed to building positive relationships and working with all to support a positive school climate which includes its school buildings and grounds, the people in it and the way they interact, the material resources, and the extensions of this environment.
- 1.2 The Rainy River District School Board Code of Conduct (Appendix A) sets clear standards of behaviour to promote a positive school climate, that are firm and fair, and these standards of behaviour apply not only to students but also to all individuals involved in the school system whether they are on school property, on school buses, at school-related events or activities, within virtual learning environments, or in other circumstances that could have an impact on the school climate.
- 1.3 The Rainy River District School Board Code of Conduct shall be reviewed every three years and shall:
 - Include the standards stated in the Provincial Code of Conduct,
 - Set out standards of behaviour for all members of the school community,

- Link locally developed standards to the relevant provincial standards and indicate where and/or when these standards will apply,
- Seek input from school councils, the Parent Involvement Committee, the Special Education Advisory Committee, the First Nation, Métis, Inuit Education Advisory Committee, parents, students, staff members, and the school community.

1.4 At the beginning of the school year and throughout the year, as appropriate, the Board shall take steps to bring the Code of Conduct to the attention of students, staff, parents/guardians and others who may be present in its schools.

1.5 All staff shall participate in:

- a regular review of the school Code of Conduct,
- information opportunities related to the application of Board and school policies and procedures in a fair and consistent manner, including progressive discipline,
- professional development that supports their roles in creating a positive school climate, including progressive discipline, bullying prevention and intervention.

2.0 Progressive Discipline

2.1 Schools should utilize a range of interventions and supports that include learning opportunities for reinforcing positive behaviour while helping students to make good choices. The range of interventions and supports must be clear and developmentally appropriate.

Positive behaviour management practices include:

- Program modifications or accommodations
- Class placement
- Positive encouragement and reinforcement

In such circumstances, the Board supports the use of progressive discipline consequences, appropriate action taken to address behaviours that are contrary to provincial, Board, and school codes of conduct.

2.3 Consequences should be applied within a progressive discipline framework that shifts the focus from one that is solely punitive to one that is both corrective and supportive. In circumstances

where a student will receive a consequence for their behaviour, it is the expectation of the Board that the principle of progressive discipline, consistent with the *Education Act* and regulations and PPM 145, will be applied, if appropriate.

- 2.4 Progressive discipline may include early and/or on-going intervention strategies, such as:
- Communication and meetings with the student's parent(s)/guardian(s)
 - Oral reminders
 - Review of expectations
 - Written work assignment with a learning component
 - Volunteer service to the school community
 - Peer mentoring
 - Referral to counselling
 - Conflict mediation and resolution
 - Consultation
- 2.5 Progressive discipline may also include a range of interventions, supports and consequences, with a focus on improving behaviour, such as one or more of the following:

 - Referral to a community agency for anger management or substance abuse counselling/intervention
 - Detentions
 - Withdrawal of privileges
 - Withdrawal from class
 - Restitution for damages
 - Restorative practices
 - Transfer
- 2.6 The use of restorative practices as a component of progressive discipline is a means of building relationships, strengthening school communities, and maintaining safe, inclusive, respectful, and accepting school cultures.
- 2.7 When addressing inappropriate behaviour, school staff should consider the particular student and circumstances, including any mitigating and other factors as required by the *Education Act* and as set out in Ontario Regulation 472/07 and *Procedure 4.30 Student Discipline*.
- 2.8 The interventions, supports and consequences for students with special education needs must be consistent with the expectations in the student's Individual Education Plan (IEP).

- 3.0 Exclusion**
- 3.1 A student shall not be excluded from the school as a disciplinary measure pursuant to section 265(1)(m) of the *Education Act*.

- 3.2 When a principal decides that it is necessary to exclude a student from the school, they shall notify the student's parent(s)/guardian(s) of the circumstances of the exclusion as soon as possible, and to inform them of their right to appeal under clause 265(1)(m) of the *Education Act*.

A suspension letter will also be provided to the parent/guardian or the student.
