

# Musical Stories of the Heart coming to Rainy River

Classroom rehearsal is a time to learn and a time to have loads of fun doing it.

Students from Rainy River High School and Riverview School will be performing this exciting musical next Thursday and Friday, May 11 and 12 under the direction of Katherine Williams.

Featured selections are taken from "Beauty and the Beast", "Grease" and "Hair Spray". Tickets are on sale at the two school offices as well as at the Rainy River Drug Store. The Thursday production starts at 7 and seats are \$8.00 each.

On Friday, the Dinner Theatre begins at 6pm and diners will be treated a 50% meal of gourmet burger, fries and dessert. Adults pay \$25, children 12 and under \$12.

The scenery for the production has been done by the art class. Using imagination and direction they have created some pretty impressive pieces.

This is certainly an evening of fun and just shows how much hard work students are happy to do after school and at home, to memorize an awful lot of music, and to be part of a musical.
