

SCHOOL ATTENDANCE ZONE REVIEW COMMITTEE

Public Input Process

- Members of the public are provided with an opportunity to provide input to the School Attendance Zone Review Committee through presentation to the Committee or in writing. Requests for either must be submitted on the Public Input Form and forwarded to Sherri Belluz by email (sherri.belluz@mail.rrdsb.com) or fax (807) 274-1958 at least two weeks prior to the meeting.
- Sixty minutes will be allotted in total for public input through presentation at each of the scheduled public meetings. Depending on the type of presentation, the Chair will schedule as many as presenters can be accommodated in the allotted time. The Chair may use discretion if an additional small amount of time would accommodate all requests for input for the evening.
- Presentations may be made to the School Attendance Zone Review Committee by an individual or an individual representing a group or organization. Time limits to a maximum of 10 minutes will be allotted. Each may present only once to the Committee during the scheduled public meetings.
- All requests for public input will be reviewed by the School Attendance Zone Review Committee chair.
- Presenters will be notified as to which meeting they will be presenting. Written input will be forwarded to members of the School Attendance Zone Review Committee with the agenda package.
- Presenter's names and group names will be posted on the agenda and on the Board's website. Written submissions will also be posted on the website as part of the public agenda package.
