

Riverview School Sturgeon Creek School Attendance Zone Review

COMMITTEE MEETING

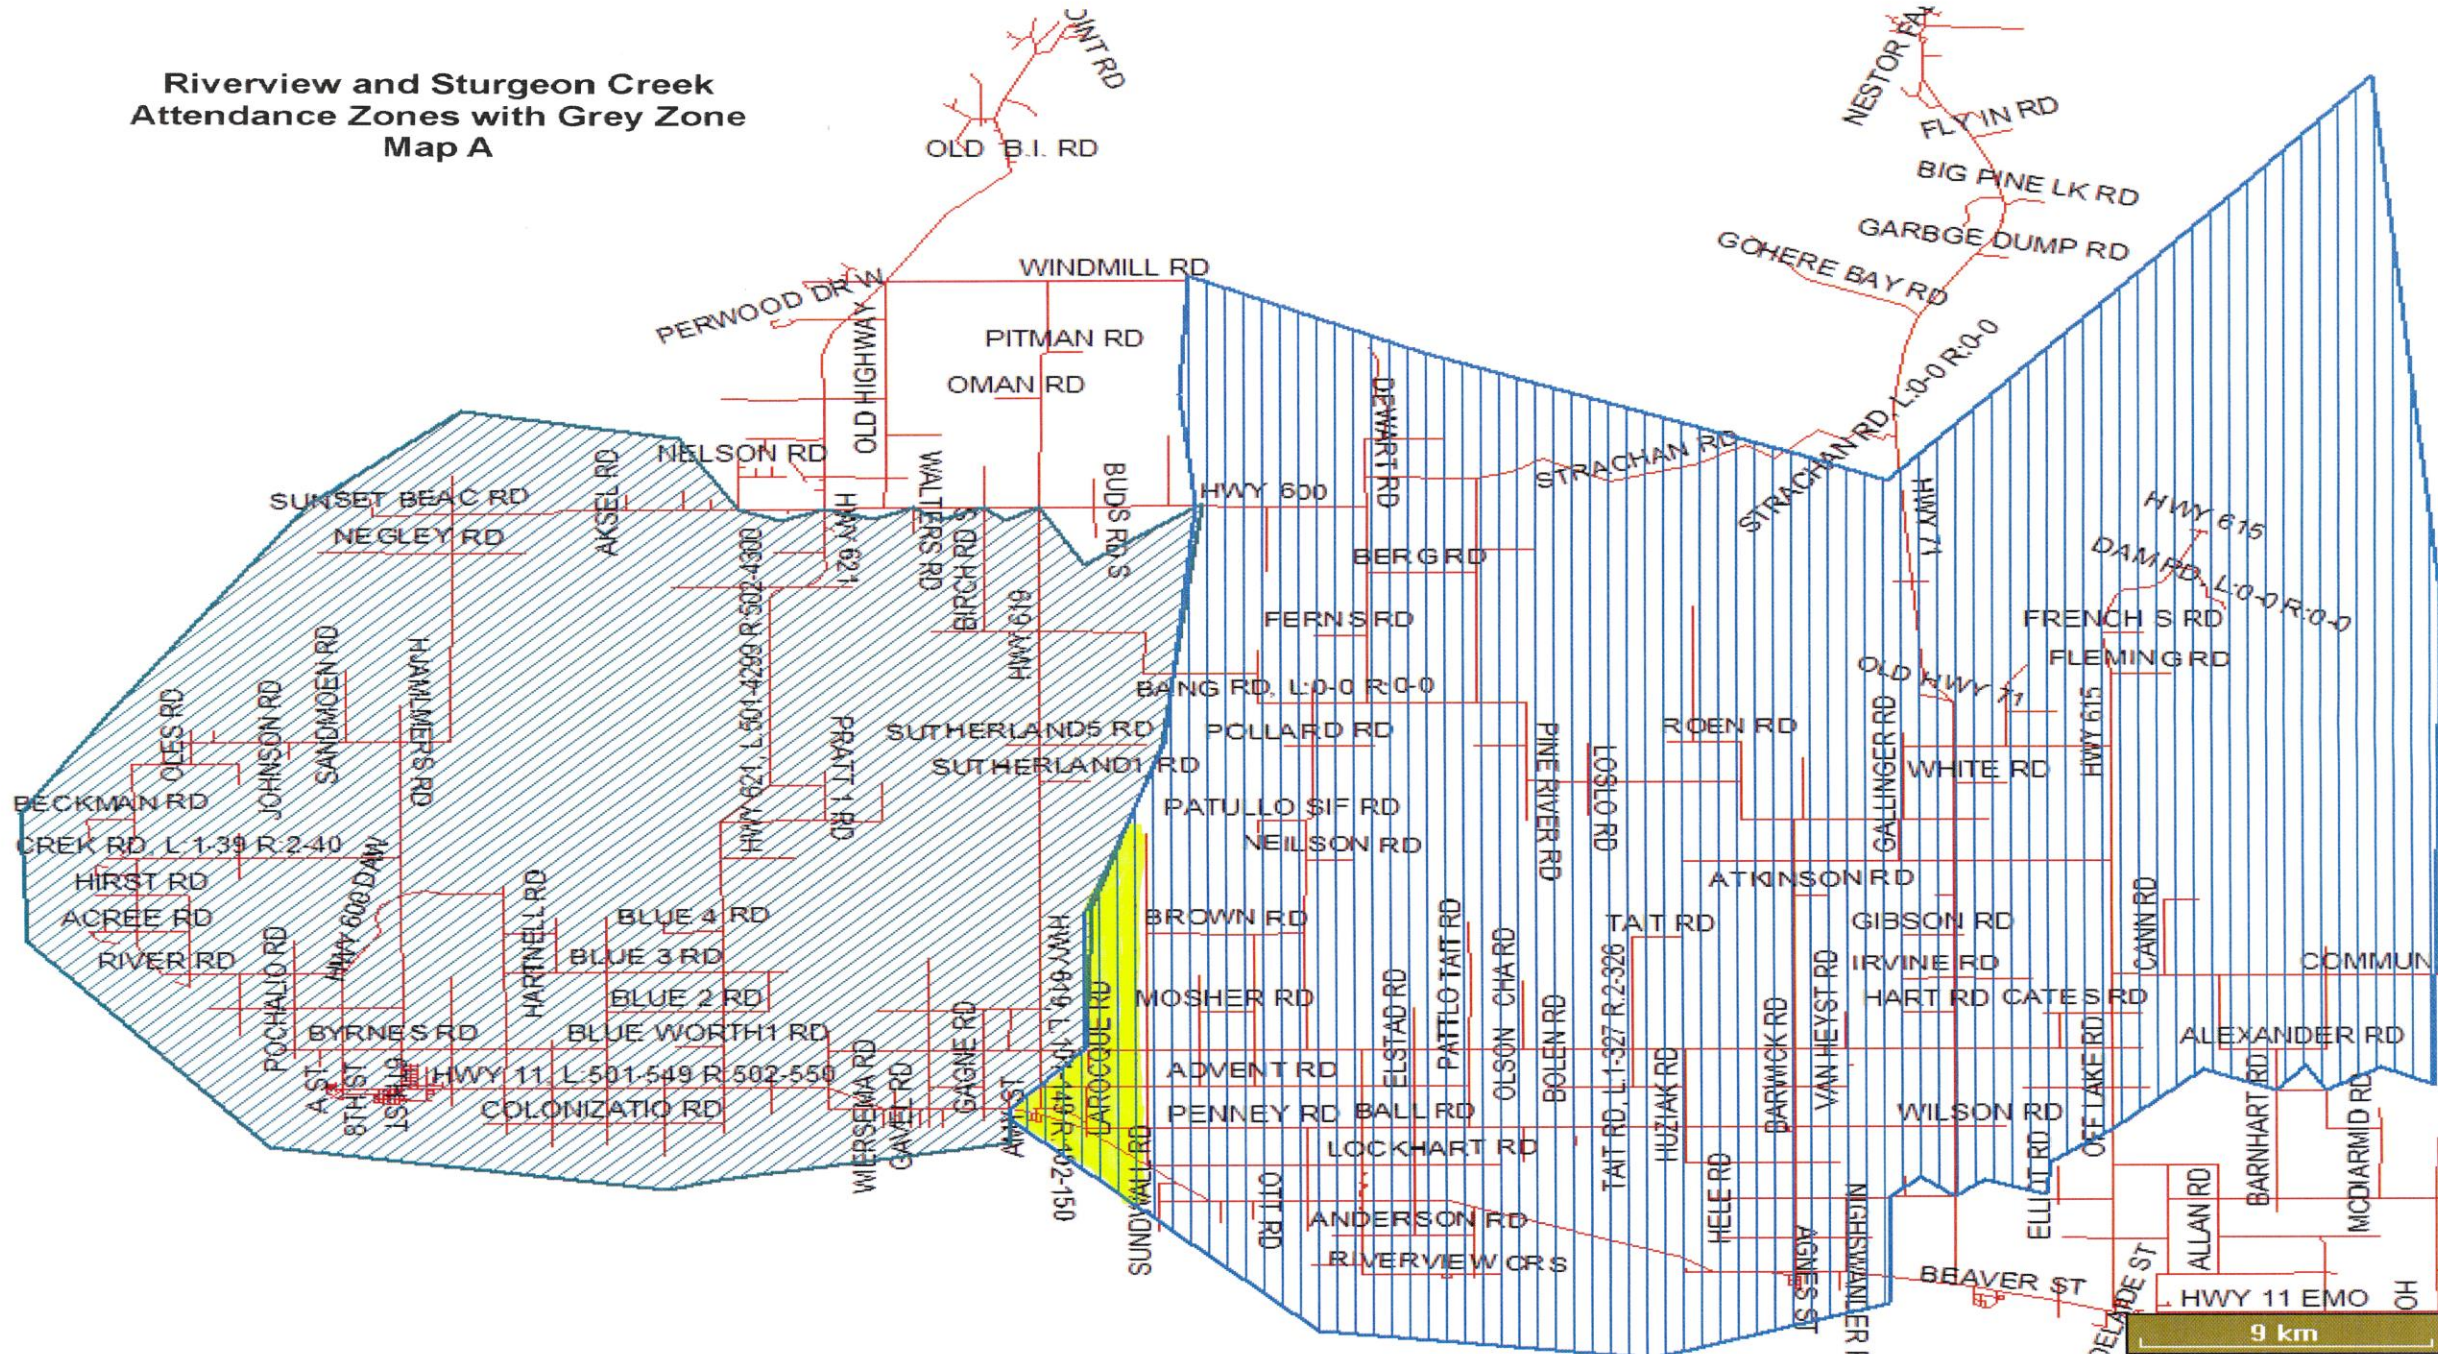

JANUARY 12, 2015

-
- ❑ The Rationale for the proposed Attendance Zone changes
 - ❑ Current school attendance zones
 - ❑ Historical practices
 - ❑ Enrolment projections
 - ❑ Feedback
 - ❑ Next Steps
 - ❑ Public Consultation

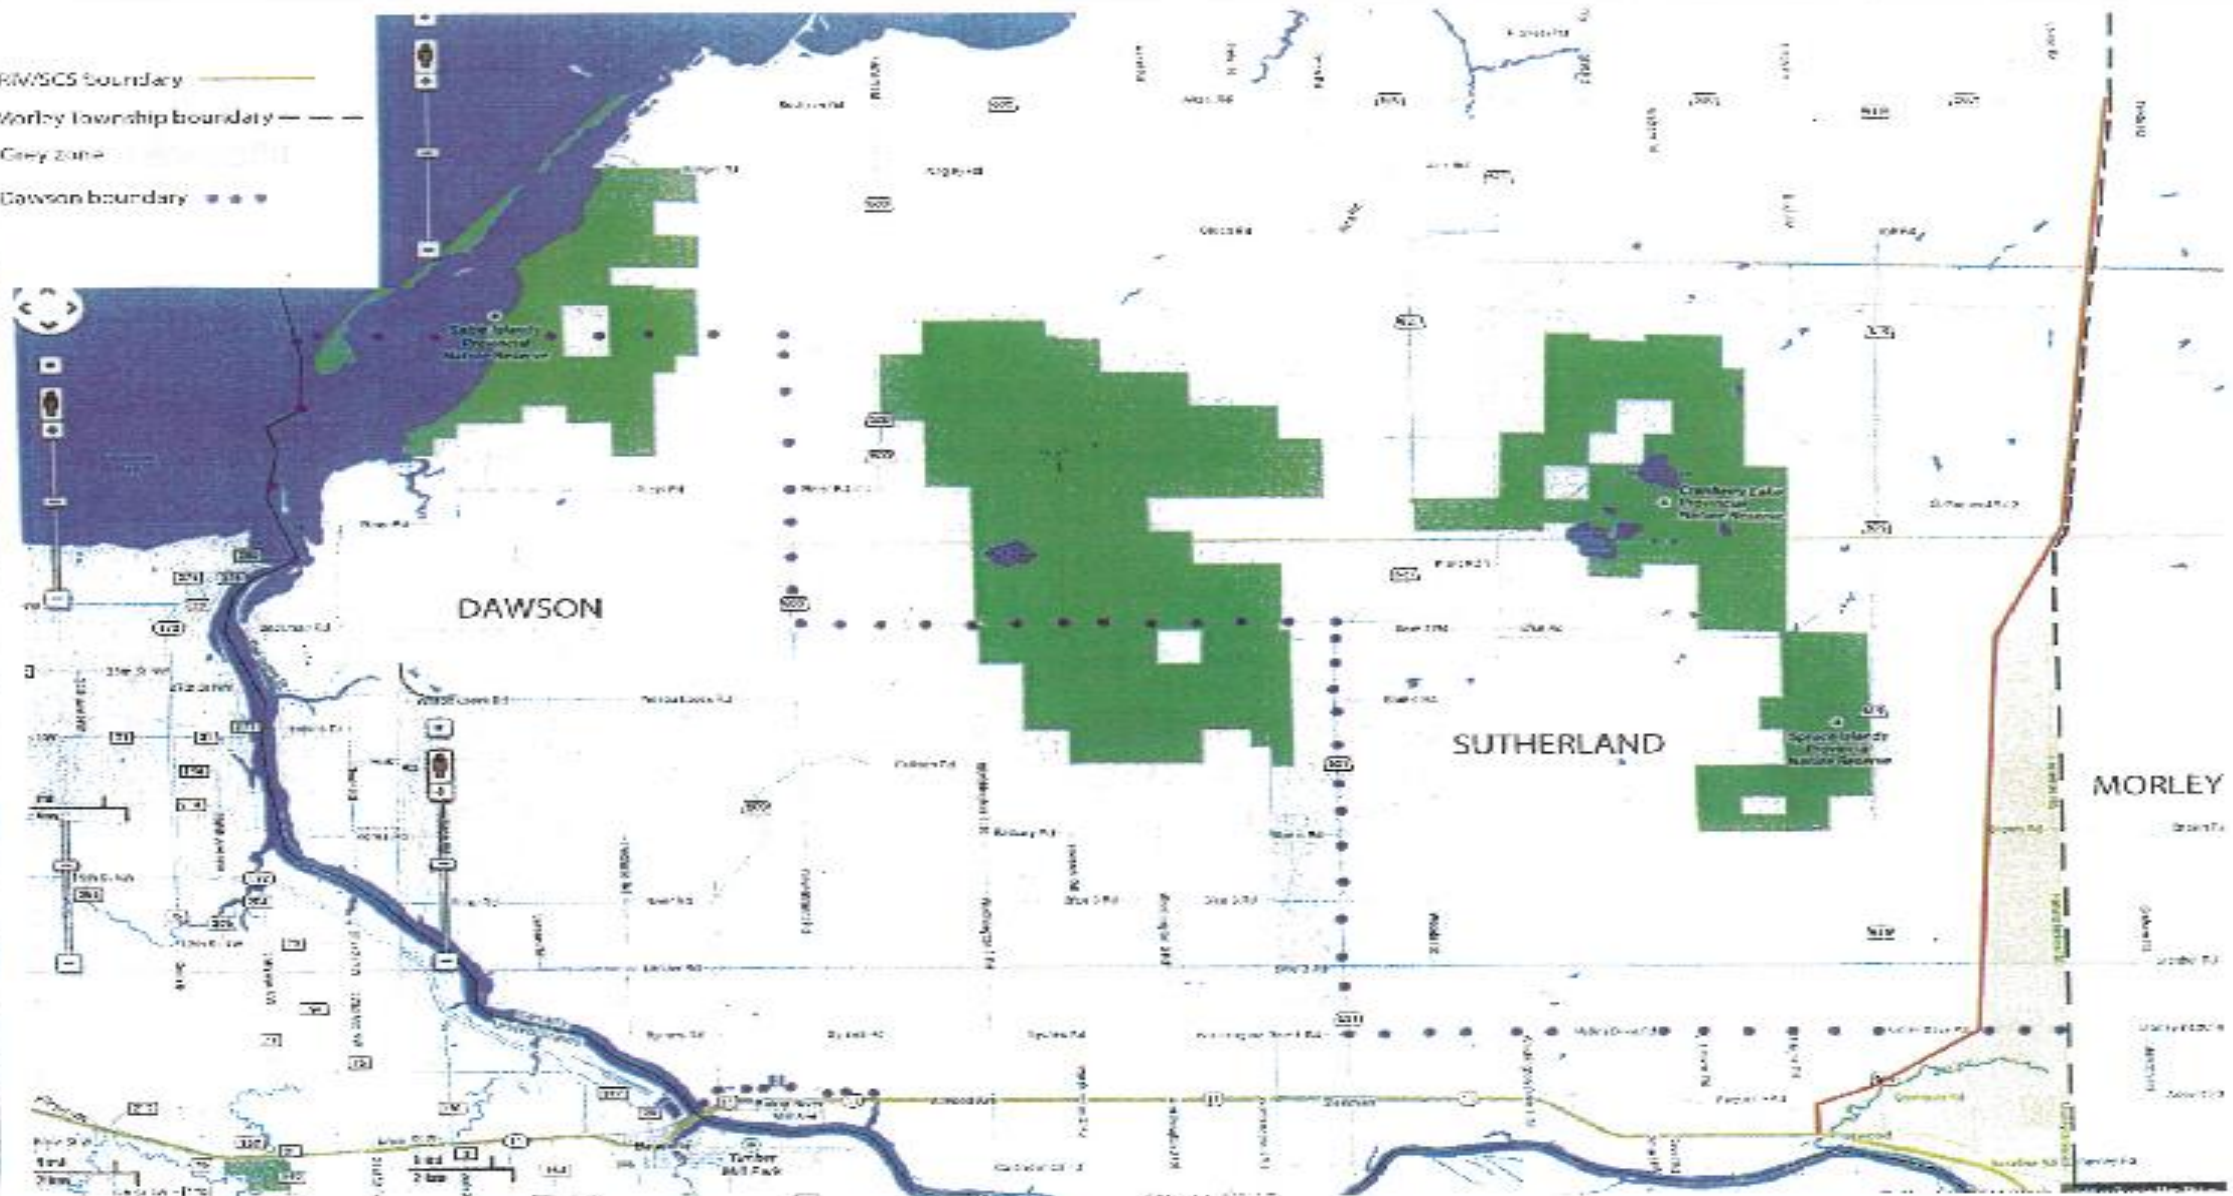

Rationale

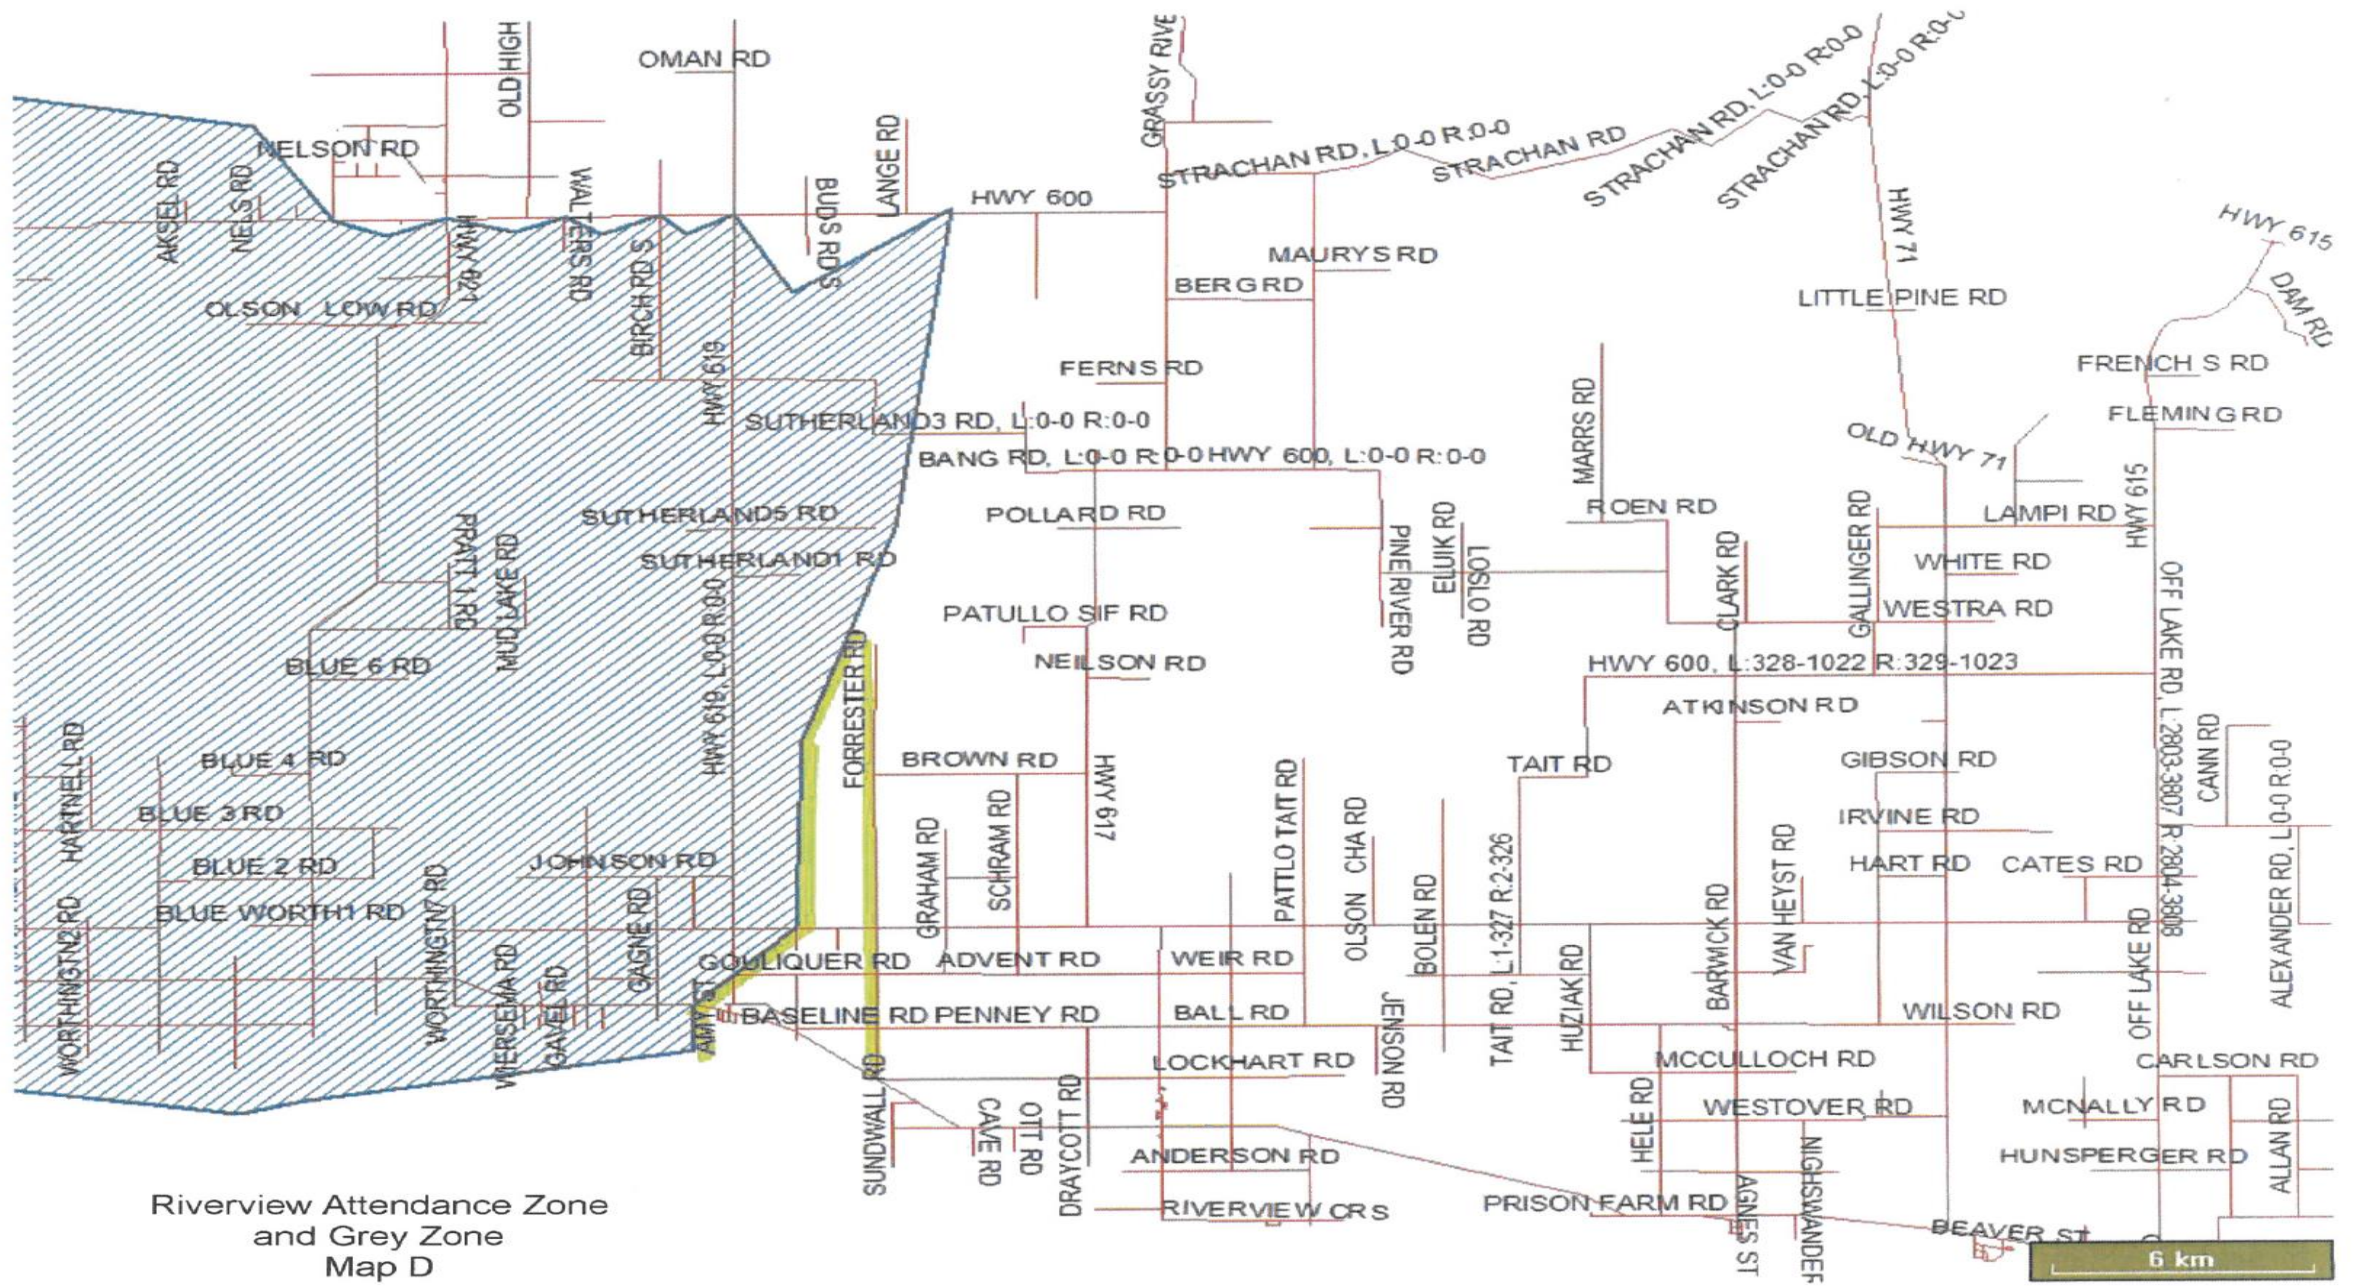

- ❑ Board approved the Attendance Zone Review for Riverview School and Sturgeon Creek School on January 6, 2015
- ❑ The review was initiated between Riverview School and Sturgeon Creek Zone so that a new attendance zone line can be drawn so that transportation services can be provided within the transportation policy without special consideration of the Board of Trustees.

Up for Discussion – What are our Options?

1. Review impact and effectiveness of the attendance zone option presented to change the boundary to follow the municipal boundary along Nelles Patullo Road / Forester Road.
Items to consider:
 - a) Balance of enrolment
 - b) Stable, long-term boundaries
 - c) Cost effectiveness of transportation
 - d) Fiscal responsibilities
 - e) Number of school moves students have experienced
 - f) Keeping cohorts together
 - g) Other criteria recommended by committee or community members.
2. Other options or suggestions?

Next Steps

- ☐ Gather feedback from communities involved:
 - ☐ Public meetings
 - ☐ Flyer for distribution
 - ☐ Newsletters
 - ☐ Newspaper advertisement

- ☐ Analyze feedback and prepare final report for Finance Committee of Board
