Community Use of School Facilities & Grounds Permit

General Conditions

- The Community Outreach Coordinator will receive the signed permits and fee waiver request forms for community use of schools 14 days prior to use. Confirmation of facility booking will be forwarded to each applicant following approval of the criteria and Principal. Notice of Cancellation by applicant must be provided at least 48 hours prior to the booking or full rental fee may be charged. Do not contact the school.
- Student activities in Board facilities are our priority to support student achievement. In the event of conflict between an approved school activity and the function specified on the permit, the school activity shall have precedence; the community partner member will be given sufficient notice of cancellation or an alternate facility option.
- Fees do not apply to Group A, are subsidized for Groups B-C, and may be charged according to Policy 6.10 for Group D. Community groups that are categorized in Groups B-C, have no charitable status, and are charging a participation fee, may be required to complete a Proof of Non-Profit (Form A) in order to receive subsidy. Groups that are categorized in Schedule 1 as Group D may submit a fee waiver application (Form B), which will be reviewed and considered for approval. In addition, Not-For-Profit groups may be eligible for fully subsidized fees through the Ontario Ministry of Education's Priority Schools Initiative. Priority for community use of school facilities and grounds may be granted in accordance with the table below:

User Group		Rates
Group A	All events held by the school and Board, such as extra-curricular activities, Open Houses, school council meetings, etc.	No Fee
Group B	Not-for-profit youth-related groups, for example, Boy Scouts, Girl Guides, church youth groups, and youth sport and recreation organizations (including those that are members or affiliates of provincial sports or accredited organizations), with or without charitable organization status.	Subsidized
Group C	Not-for-profit adult groups and functions organized by individuals/organizations who may have an admission charge, a participation cost or fee, for example, local service clubs, community health associations, senior groups.	Subsidized
Group D	For profit, for example, functions organized by industry/businesses for profit-making purposes, (e.g., public concerts, trade shows, dance schools, for profit youth activities).	Full Fees

- Equipment and custodial charges may apply to Group D, if applicable. Approved use of equipment by Groups B-D will require a damage deposit.
- For one-time events and events reoccurring for less than three months, damage deposit cheques will be held and returned following the event if no damage is recorded. Cheques are required to be postdated to the event date. For events reoccurring for three months or more, the damage deposit will be deposited and reimbursed at the end of the fiscal year or/the conclusion of the event if no damage is recorded. NSF cheques may result in further bookings being declined.
