b) Sick Leave Days

Subject to paragraphs d) i-vi below, permanent employees will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Employees who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs d) i-vi below, permanent employees will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Employees who are less than full-time shall have their STLDP allocation pro-rated. Employees eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in d) i-vi below.

i. An employee is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or date of return to work from any leave other than sick leave, WSIB or LTD.

ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.

iii. Where an employee is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the employee will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

iv. Where an employee is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the employee will continue to access any unused sick leave days or STLDP days from the previous school

year's allocation.

- v. A partial sick leave day or short-term disability day will be deducted for an absence of a partial day.
- vi. Where a regular/permanent employee is not receiving benefits from another source and is working less than his/her full FTE in the course of a graduated return to work as the employee recovers from an illness or injury, the employee may use any unused sick/short-term disability allocation remaining, if any, for the employee's FTE that the employee is unable to work due to illness or injury.

e) Short-Term Leave and Disability Plan Top-up

- i. Employees accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from ninety percent (90%) to one hundred percent (100%) requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When employees use any part of an STLDP day they may access their top up bank to top up their salary to one hundred percent (100%).

f) Sick Leave and STLDP Eligibility and Allocation for Employees in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to employees in a Term Assignment:

- i. Employees in a Term Assignment of a full school year will be allocated eleven (11) days of sick leave at 100% of regular salary, and one hundred and twenty (120) short-term disability days at the start of the assignment.  - ii. Employees in a Term Assignment of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their Term Assignment compared to the full working year of their classification in accordance with the allocation in (i) above.
 - iii. Where the length of the Term Assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the assignment or the FTE, an adjustment will be made to the allocation and applied retroactively.
 - iv. An employee on a Term Assignment who works more than one Term Assignment in the same school year may carry forward Sick leave and STLDP from one Term Assignment to the next, provided the assignments occur in the same school year.
- g) Administration
- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave or STLDP. Medical confirmation may be required to be provided by the employee to access sick leave or STLDP.
 - ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis).

- iii. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD.

Re: Status Quo Items Requiring Amendment and Incorporation

The following four central issues have not been modified during this round of collective bargaining and remain status quo. These provisions must be incorporated by local parties to align the terms of the 2012-14 MOU provisions with previously existing local terms. Below please find specific direction for local parties to ensure that the entirety of the provision is contained in the collective agreement, eliminating the need to refer to previous source documents.

1. Short Term Paid Leaves

2014-17 collective agreement terms shall incorporate the short term paid leave of absence provisions in the 2008-12 Collective Agreement and including modifications made during local bargaining in 2013, that utilized deduction from sick leave, for reasons other than personal illness. Such leaves shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that currently have less than five (5) days shall remain at that number. Provisions should reflect any local limits to these leaves that were in place. The days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year.

Short term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

Where a class of employees was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2014-17 collective agreement.

Employees who were receiving WSIB top-up on September 1, 2012 shall have the cap of four (4) years and six (6) months reduced by the length of time for which the employee received WSIB top-up prior to September 1, 2012.

3. Pregnancy Leave Benefits

Where superior provisions exist, as a result of the meshing of the 2012 MOU with any superior provisions that existed in the 2008-2012 collective agreements, they must be incorporated into the common central provisions in Article 8.3 of Part A of this agreement and the resulting article placed in Part B of this agreement.

4. Salary, Wages and Direct Compensation

Provisions related to salary, wages and direct compensation remain status quo to those in effect on September 1, 2014 except as amended by the Memorandum of Settlement between the parties dated November 27, 2015.

The four issues identified above shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the School Boards Collective Bargaining Act, 2014.

Re: Scheduled Unpaid Leave Plan

The following Scheduled Unpaid Leave Plan (SULP) is available to all permanent employees for the 2015-2016 and 2016-2017 school years. Employees approved for SULP days shall not be replaced.

It is not the intention that SULP days be scheduled on days when role specific training or role specific professional development is scheduled.

For employees who work a 10-month year a school board will identify:

- 1) up to two (2) Professional Activity days in the 2015-2016 school year;
 - 2) two (2) Professional Activity days in the 2016-2017 school year;
- that will be made available for the purpose of the SULP.

For employees whose work year is greater than ten (10) months, a school board will designate days, subject to system and operational requirements, which will be available for the purpose of the SULP in each of the 2015-2016 and 2016-2017 school years. These employees will be eligible to apply for up to two (2) days leave in each of these years.

For the 2015-2016 school year, the available day(s) will be designated no later than thirty (30) days after central ratification. All interested employees will be required to apply, in writing, for the leave within ten (10) days of local ratification, or within ten (10) days from the date upon which the days are designated, whichever is later. For the 2016-2017 school year, the days will be designated by June 15, 2016. All interested employees will be required to apply, in writing, for leave for the 2016-2017 school year by no later than September 30, 2016. Approval of the SULP is subject to system and operational needs of the board and school. Approved leave days may not be cancelled or changed by the school board or the employee. Half day leaves may be approved, subject to the system and operational needs of the board and school.

For employees enrolled in the OMERS pension, the employer will deduct the employee and employer portion of pension premiums for the unpaid days and will remit same to OMERS.

The following clause is subject to either Teacher Pension Plan amendment or legislation:

Within the purview of the Teachers' Pension Act (TPA), the Minister of Education will seek an agreement from the Ontario Teachers' Federation (OTF) to amend the Ontario Teachers' Pension Plan (OTPP) to allow for adjusting pension contributions to reflect the Scheduled Unpaid Leave Plan (SULP) with the following principles:

- i) Contributions will be made by the employee/plan member on the unpaid portion of each unpaid day, unless directed otherwise in writing by the employee/plan member;
- ii) The government/employer will be obligated to match these contributions;
- iii) The exact plan amendments required to implement this change will be developed in collaboration with the OTPP and the co-sponsors of the OTPP (OTF and the Minister of Education); and
- iv) The plan amendments will respect any legislation that applies to registered pension plans, such as the Pension Benefits Act and Income Tax Act.

This Letter of Agreement expires on August 30, 2017.

Re: Job Security: Protected Complement

1. Effective as of the date of central ratification, the Board undertakes to maintain its overall Protected Complement, except in cases of:
 - a. a catastrophic or unforeseeable event or circumstance;
 - b. a declining board/school enrolment;
 - c. school closure and/or school consolidation; or
 - d. funding reductions.
2. For the purpose of this Letter of Agreement, at any relevant time, the Board's overall Protected Complement is equal to:
 - a. FTE (excluding temporary, casual and/or occasional positions) as of date of central ratification. (Memorandum note: the FTE number is to be agreed to by the parties through consultation at the bargaining unit level)
 - b. minus any FTE attrition of bargaining unit members which occurs after the date of central ratification (Note: since FTE in (a) already excludes temporary, casual, and/or occasional positions, the reduction would be in permanent staff).

Reductions as may be required above shall only be achieved through lay-off after consultation with the union. Alternative measures may be considered by a board, which may include:

- c. priority for available temporary, casual and/or occasional assignments;

- d. the establishment of a permanent supply pool where feasible; or
 - e. the development of a voluntary workforce reduction program (contingent on full provincial government funding).
3. Where complement reductions are required pursuant to declining enrolment, such complement reductions shall occur at a rate not greater than the rate of student loss.
 4. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).
 5. Every effort should be made to minimize necessary layoffs through attrition.
Notwithstanding the above, a board may reduce their complement through attrition.
 6. Staffing provisions contained in the 2008-12 collective agreements or the last collective agreement completed between the parties with regard to surplus, bumping and recall will continue.
 7. The above language does not allow trade-offs between the classifications outlined below:
 - a. Assistants/Technicians
 - b. DECEs
 - c. Custodians/Cleaners/Maintenance/Trades
 - d. Instructors
 - e. Counsellors
 8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
 9. This Letter of Agreement expires on August 30, 2017.

Re: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement (LOA), all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The ETFO-EW intend to join the ETFO Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"). Should ETFO-EW fail to reach agreement, consistent with the parameters contained herein, by January 15, 2016, the parties to this LOA will meet to consider other options.

The parties to this LOA agree to comply with the Trust's requirements. The provisions of the agreement between ETFO-EW and ETFO shall be reflected in the ETFO trust participation agreement. The provisions contained herein shall be applicable to ETFO-EW within the Trust.

The Participation Date for ETFO-EW shall be no earlier than September 1, 2016 and no later than August 31, 2017 and may vary by Board.

ETFO-EW shall be offered the same benefit plan as ETFO teachers but shall be a separate division within the Trust and accounted for separately.

1.0.0 GOVERNANCE

- 1.1.0 The parties confirm their intention to take necessary actions in accordance with the Trust agreement for any period in which the claims fluctuation reserve is less than 8.3% of annual expenses over a projected three year period.

2.0.0 ELIGIBILITY and COVERAGE

- 2.1.0 The following ETFO-EW represented employees are eligible to receive benefits through this Trust:
 - 2.1.1 Employees who are covered by the Local Collective Agreement and currently eligible for benefits in collective agreements.
 - 2.1.2 Retirees who were, and still are, members of a District School Board, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Board(s)" benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 2.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board Participation Date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 2.1.4 No individuals who retire after the Board participation date are eligible.
- 2.2.0 The benefit plan may provide coverage for health (including but not limited to vision and travel), life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support, subject to compliance with section 144.1 of the ITA. Other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.
- 2.3.0 Each Board shall provide to the Trustees of the ETFO ELHT directly, or through its insurance Carrier of Record, Human Resource Information System (HRIS) information noted in Appendix A within one (1) month of notification from the Trustees, in the format specified by the Trustees.

3.0.0 FUNDING

3.1.0 NEGOTIATED FUNDING AMOUNT, BOARD CONTRIBUTIONS

- 3.1.1 Each Board shall pay an amount equal to 1/12th of the annual negotiated funding amount as described in 3.1.2 and 3.1.3 to the Trust Plan Administrator of the ELHT by the last day of each month from and after the Board's Participation Date.
- 3.1.2 Upon the Board's Participation Date:
 - i) For defined benefit plans, the Board shall provide to the Trust an amount of \$5,100 per FTE.
This funding excludes casual and term employee and retiree costs associated with 2.1.2 and 2.1.3.

- ii) The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- iii) For purposes of ii), the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
- iv) Calculations in ii) will be subject to specified audit procedures that will be completed by the Board's external auditors by May 15, 2016.
- v) A cost per FTE reconciliation process will be completed for the year ended August 31, 2020. Based on this reconciliation process, the funding to the Trust for subsequent years shall be established based on the cost of the ETFO-EW benefit plan in the 2019-20 school year up to a maximum of \$5,100 per FTE, subject to collective bargaining starting in 2020.

3.1.3 On the Participation Date, for defined contributions plans, the Board will contribute to the Trust an amount of \$5,100 per FTE. In 2015-16, for Federation owned plans, if in aggregate, the following three conditions are met:

- i) there is an in-year deficit,
- ii) that the deficit described in (i) is not related to plan design changes made in the previous three (3) years, and
- iii) that the aggregate reserves and surpluses are less than 8.3% of total annual/costs premiums,

then the in-year deficit in i) would be paid by the Board associated with the deficit.

If in 2014-15 i) and ii) above apply, and the deficit reduces the reserves and surpluses to zero, then the deficit in 2014-15 will be paid by the Boards.

3.1.4 Funding previously paid under 3.1.2 and 2.1.3 above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.

3.1.5 In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and the ETFO Provincial Office.

- 3.1.6 With respect to casual employees and term assignments, where payment is provided in lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the Boards for casual employees and term assignments, this arrangement will remain the on-going obligation of the affected Boards. The affected Boards will find a similar plan, for these employees, that is cost neutral to the Boards, recognizing inflationary cost as follows: plus 4% for 2015-16 and 4% for 2016-17.
- 3.1.7 The Trust shall determine employee co-pay, if any.
- 3.1.8 The Board shall be responsible for administering any existing Employee Assistance Programs (EAPs)/ Employee Family Assistance Programs and Long Term Disability Plans, maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).
- 3.1.9 Sixty days prior to the participation date, the Trust will be responsible for informing the Boards of any further changes required by the Trust from employees' pay.
- 3.1.10 Should the Trust maintain an employee co-pay, the Board shall deduct premiums as and when required by the Trustees of the ETFO ELHT from each member's pay on account of the benefit plan(s) and remit them as and when required by the Trustees to the Trust Plan Administrator of the ETFO ELHT with supporting documentation as required by the Trustees.
- 3.1.11 Funding for retirees shall be provided based on the costs/premiums in 2014-15 associated with those retirees described in 2.1.2 and 2.1.3. The amount in 2014-15 will be increased by 4% in 2015-16 and 4% in 2016-17. Employer and employee co-shares will remain status quo per local collective agreements in place as of August 31, 2014 or per existing benefit plan provisions.
- 3.1.12 All amounts determined in this Article 3 shall be subject to a due diligence review by the ETFO-EW. The school boards shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the ETFO-EW. If any amount cannot be agreed between the ETFO-EW and a school board, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution process.

3.2.0 START-UP COSTS

- 3.2.1 The Government of Ontario will provide:
- i) A one-time contribution to the Trust equal to 15% of annual benefit

costs, as defined in 3.2.2, to establish a Claims Fluctuation Reserve (“CFR”). The amount shall be paid to the Trust on or before September 1, 2016.

- ii) A one-time contribution to the Trust of 2.6% of annual benefit costs (estimated to be approximately \$181,000), as defined in 3.2.2, to cover start-up costs and/or reserves.

- 3.2.2 The one-time contributions in 3.2.1 (i) and (ii) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015. The statements are to be provided to the Ministry of Education.
- 3.2.3 The Crown shall pay \$80,000 of the start-up costs referred to in s. 3.2.1 (ii) on the date of ratification of the central agreement and shall pay to ETFO a further \$80,000 subject to the maximum amount referred to in s. 3.2.1 (ii) by June 1, 2016. The balance of the payments, if required under s. 3.2.1 (ii), shall be paid by the Crown on or before September 1, 2016. The funds shall be transferred as instructed by ETFO-EW in accordance with an agreed transfer payment and accountability contract.
- 3.2.4 On the day the Boards, commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Boards’ surplus will be retained by the Boards.
- 3.2.5 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.
- 3.2.6 All Boards reserves for Incurred But Not Reported (“IBNR”) claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 3.2.7 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards’ annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where

a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.

- 3.2.8 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a) If available, the paid premiums or contributions or claims costs of each group; or
 - b) Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 3.2.9 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 3.2.10 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.
- 3.2.11 The Trust shall retain rights to the data and the copy of the software systems.

4.0.0 PAYMENTS

- 4.1.0 The Crown will make a recommendation to the Lieutenant Governor in Council to amend the Grants for Student Needs funding regulation indicating that the funding amount provided for benefit of the ETFO-EW members must be provided to the Trust in accordance with the Letter of Agreement.

5.0.0 ENROLMENT

- 5.1.0 For new hires, each Board shall distribute benefit communication material as provided by the Union to all new members within fifteen (15) to thirty (30) days from their acceptance of employment.

- 5.2.0 For existing members, the Board shall provide the Human Resource Information System (HRIS) file with all employment information to the Trustees as outlined in Appendix A.
- 5.3.0 Where an HRIS file cannot be provided, the Board shall provide the required employment and member information to the Trust Plan Administrator in advance of the member commencing active employment or within the first thirty (30) days of the employment date. The Board shall enter any subsequent demographic or employment changes as specified by the Trust Plan Administrator within one week of the change occurring.
- 5.4.0 The benefit administration for all leaves, including Long-Term Disability where applicable, will be the responsibility of the Trust Plan Administrator. During such leaves, the Board shall continue to provide HRIS information and updates as defined above.
- 5.5.0 Each Board shall provide updated work status in the HRIS file a minimum of two (2) weeks in advance of the leave or within the first fifteen (15) days following the start of the absence.

6.0.0 ERRORS AND OMISSIONS RELATED TO DATA

- 6.1.0 Board errors and retroactive adjustments shall be the responsibility of the Board.
- 6.2.0 If an error is identified by a Board, notification must be made to the Trust Plan Administrator within seven (7) days of identification of the error.
- 6.3.0 Upon request by the Trust Plan Administrator, a Board shall provide all employment and member related information necessary to administer the provincial benefit plan(s). Such requests shall not be made more frequently than twice in any twelve (12) month period.
- 6.4.0 The Trust Plan Administrator or designate has the right to have their representatives review employment records related to the administration of the Trust at a Board office during regular business hours upon thirty (30) days written notice.

7.0.0 CLAIMS SUPPORT

- 7.1.0 The Board shall complete and submit the Trust Plan Administrator's Waiver of Life Insurance Premium Plan Administrator Statement to the Trust Plan Administrator for life waiver claims when the Trust Plan Administrator does not administer and adjudicate the LTD benefits.
- 7.2.0 Each Board shall maintain existing beneficiary declarations. When required, the Board shall provide the most recent beneficiary declaration on file to the Trust Plan Administrator. Any changes subsequent to the participation date shall be the responsibility of the Trust.

8.0.0 PRIVACY

- 8.1.0 In accordance with applicable privacy legislation, the Trust Plan Administrator shall limit the collection, use and disclosure of personal information to

information that is necessary for the purpose of providing benefits administration services. The Trust Plan Administrator's policy shall be based on the Personal Information Protection and Electronic Documents Act (PIPEDA).
