

SUMMER

LEARNING PROGRAMS

GRADES 1-6

The Summer Learning Program is a full-day 3 week program, available for students in grades 1-6 registered at RRDSB. The program focuses on developing fundamental skills in literacy and numeracy, through engaging 'camp' activities.

Register for the grade your child will be entering in the fall.

PROGRAM OVERVIEW

The Summer Learning Program is available at Robert Moore, Northern Lakes and Donald Young Schools for both sessions.

Mine Centre School will be offering the junior session from July 22-August 9.

School sites depend upon student enrollment & are subject to change based on numbers. There are limited number of spots available...first come, first serve!
