Make today AWESOME – Be Safe, Be Respectful, Be Responsible

School Council Annual Report 2016/17

June 2017

Welcome

Crossroads School Council has had a productive year despite a small group of regular parent volunteers. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute by getting involved in various school initiatives and to bring forward the voice of the school community. Even though this year's Council was small in numbers, it was big in commitment which is evident from the goals accomplished this year – 20th Anniversary events. Parents are encouraged to get involved in Crossroads School Council because together we can achieve more. It is an awesome way to create a collaborative culture.

Activity Summary:

The Crossroads School Council met regularly to discuss goals, anniversary plans, fundraising and concerns/questions from parents. This year the Council scheduled and hosted a year of celebration activities/events. In addition, the Council supported three major events and three fundraisers. The events included the Fall Feast Kick-Off, Family Wellness and Math Night (supported by the PIC) and the Fish Fry Finale. Fundraisers included Sysco order in the fall and a penny table/raffle at the Fish Fry Finale.

Fundraising

Fundraising by the Crossroads School Council supports a variety of student activities – next year subsidized t-shirts and support student activities/special events.

Sysco – raised approximately \$600.00
