## School Council Annual Report 2016/17

June 8, 2017

### Welcome

Nestor Falls School Council has had a productive year. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute by getting involved in various school initiatives and to bring forward the voice of the school community. Parents are encouraged to get involved in the Nestor Falls School Council because together we can achieve more. It is an excellent way to create a collaborative culture.

### Activity Summary:

The Nestor Falls School Council met regularly to discuss goals for the year and any concerns/questions from parents. This year the Council identified and achieved several goals to help supplement our student's educational experiences. Funds raised helped to buy more cross-country skis, funds also helped send students to Festival and funds are also being used to upgrade the skating rink. Council helped out with several events including the Math and Mental Health Night, the Christmas Concert, and the End-of-Year Family BBQ/Spaghetti Dinner. Fundraisers included Mom's Pantry in the fall, Little Caesar's Pizza kits, and a Silent Auction fundraiser in the spring at the Family BBQ.
