

## **Riverview School Annual School Council Report 2016-2017**

Another successful school year comes to an end. Looking back we are very proud of our accomplishments as a school and as a part of our community. As a School Council, our main focus is to enhance student learning by working in cooperation with school administration, teaching staff and the parent community.

### **Activity Summary**

Riverview School Council met on a regular basis to provide input and exchange ideas with school representatives and addressed concerns from parents. Our School Council was also very active in planning events and organizing fundraisers. The support we received from parents, caregivers and our community was outstanding.

**Breakfast Program:** Our program was generously supported by local businesses and organizations providing breakfast three mornings a week for all of our students. This program was run successfully by students under the supervision of our principal and teaching staff.

**Water Grant:** Our school was fortunate to receive a grant that provided our students with reusable water bottles and a refill station.

**Fundraising:** Our fundraisers included our *Annual Christmas Tea & Penny Table*, *White Elephant Sale* and *iPad Raffle*. All were generously supported by our school and community. Together these three fundraisers grossed \$3,676.30 for our school.

**Events:** Other activities and events that we organized or supported included Terry Fox Run, Jump Rope for Heart, Family Literacy Day, STEAM Night and our Year End Family BBQ.

### **2016-2017 School Council Members**

Co-Chairs: Kari Larson & Janice Olson  
Secretary: Deb Spence  
Members: Julie Tiboni Krista Brusven  
Tracy Grover Nadine Gerula
