School Council Annual Report 2016/17

June 23, 2017

Welcome

Sturgeon Creek had an excellent year and our school community showed tremendous support at our activities. The role of a school council is to work in partnership with the school. It is an opportunity for parents/guardians to contribute to improving student achievement and school performance. Parents are encouraged to be a part of the Sturgeon Creek Council because together we can achieve more.

Activity Summary:

The Sturgeon Creek School Council met regularly to discuss goals for the year and any concerns/questions from parents. This year the Council identified and achieved several goals– we fundraised for swimming lessons, we finally paid for our sound system and we helped support trips to Festival and the Mounds . We also helped prepare healthy snacks for several events. The events included Math and Mental Health Night and the End-of-Year Family BBQ. Fundraisers included Mom’s Pantry in the fall and a Penny Table fundraiser in the spring at the Family BBQ.

Fundraising

Fundraising by the Sturgeon Creek School Council supported a variety of student activities – swimming lessons and the Toronto trip are two examples.

Mom’s Pantry – raised approximately \$2475.04.02

Penny Table – raised approximately \$458.00

2016/17 Council Members
