Fax: 807 274 5078
Toll Free: 1 800 214 1753

We are writing with an important update on your child's final report card. We know how important the report card is to parents and to students—it is a reflection of the work done throughout the year, and the marks, learning skills and teacher comments are valued.

Currently, public elementary teachers across Ontario are taking part in a lawful job action. This action includes not writing report card comments, and not inputting student marks electronically for the purpose of producing report cards. The Rainy River District School Board will provide parents and guardians with report cards with marks for elementary students but may be delayed due to this job action. For report cards not completed by June 26, these will be mailed.

WEB SITE:

www.rrdsb.com

We know that our elementary teachers are skilled professionals and we are confident that throughout the school year they would have kept you well informed on the progress of your child. The final report card should contain no surprises. As always, if you have any questions, we encourage you to contact your child's teacher, during the week of June 22nd, to discuss your child's progress this school year.

DIRECTOR

Heather Campbell

Thank you for your understanding.

Sincerely,

Heather Campbell
Director of Education
Rainy River District School Board
